More Normal Life!

# Safety Tips For Living With COVID

Outside is  
Safer  
than  
Inside.

When it  
comes  
to  
Crowds,  
Smaller  
is Safer.

And,  
Timewise,  
Shorter is  
Safer.

# Good Safety Precautions

Social Distance

Read The Crowd,  
Wear A Mask  
(If Unvaccinated  
or Required)

Ventilate  
Indoor Spaces  
As Much As Possible

Cough Or Sneeze  
Into Your Arm  
Or A Tissue

Keep Your  
Hands Clean
